

# About Us...

Phase 1 of Coniston Community Centre is available for hire. Phase 2 is nearing completion and will include a café and more meeting rooms. The building also houses the Little Sunbeams Neighbourhood Nursery, which can be reached on 0117 931 1927.

Coniston Community Centre is run by Coniston Community Association. The Community Association is a group of centre users, Coniston residents and local councillors, which has been operating since 1993 to help arrange activities for all sections of the community in Coniston.

# Room Hire...

We will have 4 community rooms for hire: 8x5, 8x6, and two 10x6.5m<sup>2</sup>. One has a sprung floor for activities. The community rooms can have dividers removed to provide a larger space with facilities for conferences and training, and have small kitchens with tea- and coffee-making facilities. One room contains six computers. The building is fully accessible.

The price is £10 per room a session for local groups and £25 for others (prices current 2010). Sessions can be morning, afternoon or evening. The building can be hired regularly or for a one-off session.

## New Community Centre

### Opens May 2011

Coniston Community Centre  
The Parade  
Coniston Road  
Patchway  
South Gloucestershire
