

About Us...

Phase 1 of Coniston Community Centre is open and available for hire, and money is being raised for phase 2, which will include a computer room, a cafe and more meeting rooms. The building also houses the Little Sunbeams Neighbourhood Nursery, who can be reached on 0117 931 1927.

Coniston Community Centre is run by Coniston Community Association. The Community Association is a group of centre users, Coniston residents and local councillors, which has been operating since 1993 to help arrange activities for all sections of the community in Coniston.

Room Hire...

We have two community meeting rooms available for hire, 8 x 5 and 8 x 6 m². The community rooms both have small kitchens with tea and coffee making facilities. The building is fully accessible for disabled people. The smaller room contains six computers which can be used by user groups by arrangement.
